

Art on the Trails

Youth Day Camp

More Green time, less screen time! Join Guineafowl Adventure Company and KB Creative for a week of art & exploring in nature!

We're guiding the next generation of nature-based creatives and responsible hikers through experience-based youth day-camps.

Campers will travel to different habitats across northeastern Massachusetts and southern New Hampshire, exploring the natural world and creating art focused on their surroundings. Each day we will travel to a unique and beautiful landscape and allow youth to learn about their environment while creating art in different media.

We believe that when young people are given the freedom to explore, create, and reflect, they discover profound connections—to nature, to each other, and to themselves. Our educational philosophy embraces experiential learning as a transformative journey to encounter the natural world holistically, with curiosity, wonder, and engagement. Immersive experiences in nature transcend traditional classroom boundaries and awaken opportunities for personal discovery, ecological awareness, and joy.

About the Instructors

Guineafowl Adventure Company is Boston's only full-service guided hiking business, offering outdoor programming across schools, enrichment programs and summer camps.

KB Creative is run by Kyle Browne, a professional artist and educator with an active practice in the Greater Boston area.

Example of a 5-Day Camp Schedule

Day 1 - Intro to Art and Exploring

We'll get to know each other, the art supplies, and learn some simple drawing techniques. After lunch, we will head off-site to explore a nature area close to camp, take an easy hike to understand how to explore responsibly, and create our first on-site art.

Day 2 - Observe Wildlife & Draw Live Animals

A trip to the Ipswich River Wildlife Sanctuary, where we explore this unique habitat's beautiful lush marshes and forests! Campers will learn how to draw animals in motion and enjoy creating art reflective of the animals they see during the day.

Day 3 - Climb Mountains & Paint Landscapes

A full-day hiking trip to a mountainous area to hike to the summit! At the summit area campers have the chance to draw or paint the landscapes surrounding them, learning tricks to create depth in their artwork!

Day 4 - Explore a Chasm & Learn Watercolor

Our fourth day of camp takes us to Purgatory Chasm, where we will explore rock formations such as caverns, caves, waterfalls, and flowing streams! Campers will learn watercolor techniques inspired by the flowing water while sketching these massive formations during our art creation time.

Day 5 - Investigate & Draw from Tidal Pools

Our final day is at Halibut Point in Rockport, MA. Campers will see the fresh-water quarries and explore the rocky outcroppings of the Atlantic coastline. We'll apply lessons learned from previous days to draw and paint what we find!

What's included:

- Round trip transportation from camp to our nature destinations
- Hiking Daypack equipped with a 2-liter hydration bladder and tube, with room for extra food, clothing and art supplies
- Art supplies including a watercolor kit and drawing materials *Campers keep these supplies as their very own at the end of the week!*
- Instructors carry convenience and safety items with them for the group (first aid, sunscreen, bug spray, hand sanitizer, tissues, etc.)

What campers need to bring:

- Closed-toe hiking boots or athletic sneakers with good tread. Please, no flip-flops or Crocs.
- Clothing appropriate to be comfortable outdoors for a full day, dependent on the weather conditions.
- Lunch and snacks for the full day – we burn a lot of calories hiking and exploring, so please provide them plenty of energy!
- A love of art and exploring!
