

Hike Mount Tecumseh

Easy Hike | 10 participants/hike

Come explore one of a handful of the “first 4,000-footers” that most avid hikers speaking to peak bag all 48 embark upon! Mount Tecumseh is a challenging but rewarding out-and-back hike that is predominantly below treeline and climbs consistently up several areas of stone steps and consistent dirt and stone trail! From the summit views of the Sandwich Mountain range are visible and the way back down is a breeze after making the climb up! A check-list NH hike for sure!
